NOVA's Medical Education Campus (MEC) is the recipient of a grant received through the Department of Health and Human Services/Office of the National Coordinator (HHS/ONC) Community College Consortium to launch 6 new programs to train workers in Virginia in Health IT EHR adoption. Under this grant, NOVA has joined 71 other community colleges across the nation to provide expanded Health IT training in all 50 states and the District of Columbia. This grant affords us the ability to provide training for individuals 6 Workforce Roles under the HITECH ARRA Act. Individuals enrolled in these training opportunities will assist in the implementation of nationally certified EHR Adoption.
